

HAIR EXTENSIONS: THE SECRETS
(A Comprehensive Group of Workshops in the Fundamentals of Hair Extensions)

In the first of its kind, Mohair Studio now offers you, the hairdresser, an incredible opportunity to expand your skills, build a stronger clientele, and increase your earning potential. From a single braid installation, to a full head of extensions that are seamlessly blended, this course will teach you all the basic and advanced techniques you need to volumize and lengthen hair efficiently, and to perfection. By learning the four most popular methods of hair installation available today, you will no longer struggle to give your clients the illusion of beautiful hair... you will be able to perform the miracle of providing them the look they desire! Sign up today, and start realizing what other hair extensionists have known for years...there's more to life than cuts and colour!

HAIR EXTENSIONS: THE SECRETS **OVERVIEW OF WORKSHOPS**

Each Workshop Component will include the tools necessary to learn and continue practicing that particular fundamental. Tool Kits will include one or more of the following: Blended Virgin Remi Hair, Synthetic Hair, Specialized Needles, Mannequin Heads, and much more. To indicate entire course (Hair Extensions: The Secrets) on registration form, please use code 0010506. Please note that it is more cost efficient to enroll in the entire group of workshops.
